

# WWF INDIVIDUAL GRANT RECOMMENDATION

## Fall 2014

Member Name: _____	Date: _____
<input type="checkbox"/> I wish to remain an anonymous donor to the organizations listed below	

Every member of the Foundation is an individual philanthropist. One of the unique aspects of membership is the opportunity to recommend an individual grant with \$1,000 of your membership contribution to nonprofit organizations of your choice. Because large grants make the most impact, we encourage you to consider recommending your \$1,000 grant to a single organization. You may, however, recommend grants of \$500 each to two organizations.

The Foundation's board of directors reviews and makes a final approval on all recommendations. Grants may not be made to fulfill pledges, membership levels or to any organization that gains a benefit for the donor. If a recommendation is not received by **March 31, 2015** your individual grant funds will be considered a generous contribution to the Annual Fund of WWF.
